Personal Statement

A self-motivated and detail-oriented individual with a strong passion for problem-solving and a keen interest in AI and machine learning technologies. Currently pursuing a postgraduate degree in Data Science, I am dedicated to leveraging my diverse background and skills to contribute effectively to the field of machine learning.

Highlights of Qualifications

- Strong educational background in STEM fields, with a focus on Data Science.
- Proficient in Python programming language, with hands-on experience in frameworks such as Numpy, Pandas, Scikit-learn, Pytorch, TensorFlow, Keras.
- Good working knowledge of R and SQL.
- Familiarity with Data Science platforms such as Kaggle, Colab, and Anaconda.

Employment History

Officer (General)   Oct 2019 - Jul 2023
Bangladesh Krishi Bank, Dhaka, Bangladesh
- Demonstrated high efficiency, technical skills, attention to detail & communication skills.
- Generated weekly, monthly, and quarterly reports with 100% accuracy, contributing to the Bank's internal data management.
- Automated laborious tasks, improving overall efficiency.

Education

- *M.Sc in Data Science* (Ongoing)   Expected Completion: Feb 2025
  United International University, Dhaka, Bangladesh
  CGPA: 3.96/4.00
  Relevant Courses: Data Analytics, Machine Learning, Artificial Intelligence, Algorithm and Data Structure, Research Methodology and Technical Writing, Object-Oriented Programming.
- *B.Sc with Honours in Genetic Engineering and Biotechnology*   Jan 2017
  University of Dhaka, Bangladesh
  CGPA: 3.50/4.00
- *Higher Secondary School Certificate, Science*   2012
  Notre Dame College, Dhaka
  GPA: 5.00/5.00
- *Secondary School Certificate, Science*   2010
  Government Laboratory High School, Dhaka
  GPA: 5.00/5.00
